Introducing BLACKMER +PLUS

## The New App From Blackmer® to Simplify and Enhance Your Blackmer Experience

At Blackmer® we continue to strive to offer industry-leading service, which is why we are proud to announce the launch of the **Blackmer+** app, now available for Apple and Android devices. This app will help save you time and money by offering timely support and assistance in efficient maintenance management for Blackmer pumps and compressors.
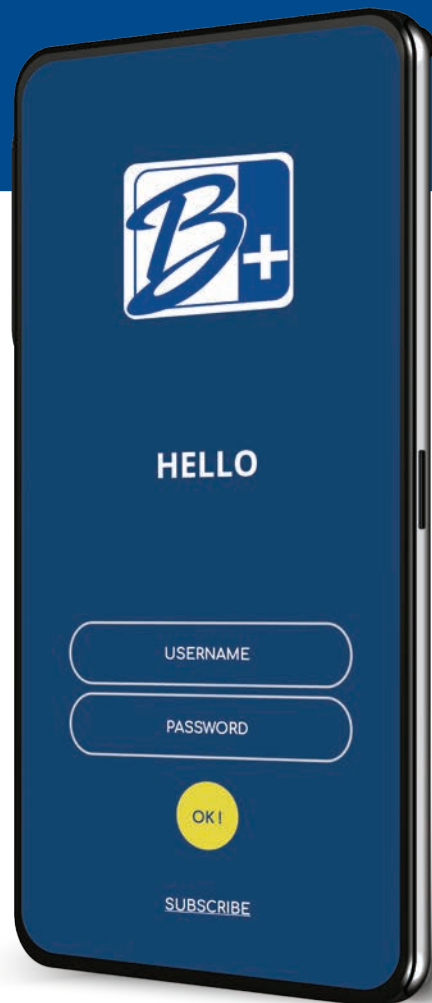

Blackmer+ will simplify and enhance your experience with Blackmer equipment.

- One-click registration of any Blackmer pump or compressor by simply scanning or entering a serial number. Easily register your entire Blackmer fleet.

- Connect directly to Blackmer factory support by automatically providing equipment details – model, size, ship date – in order to get your questions and issues resolved quicker.

- Manage maintenance intervals for Blackmer equipment with calendar reminders and ability to send email reminders to colleagues.

- Access to all documentation for your Blackmer products, including:
  - IOM
  - Part Lists
  - Specifications
  - MOC
  - Dimensions
  - Performance Curves

- Create your own notes for each piece of Blackmer equipment in your inventory. Document the location, date of maintenance or repair, and any other information.

Workbench

All your Blackmer® products are at your fingertips in this accessible dashboard. From here you can view your products and even give them unique names so you can keep track.
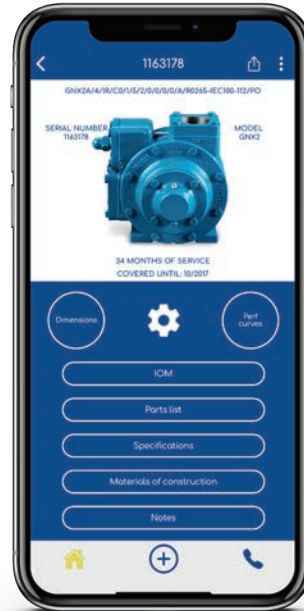

Equipment Card

The Equipment Card gives you instant access to your equipment's information in an easy-to-use format. The **Blackmer+** app will even allow you to store this information for offline access so you can view it even when you are out on site or in a utility room in the middle of a plant.

Document View

Your product. Your information. One-click away. Access the

- Installation Operation Manual (IOM)
- Parts Lists
- Specifications
- Materials of Construction (MOC)
- Dimensions
- Performance Curves for all your products.
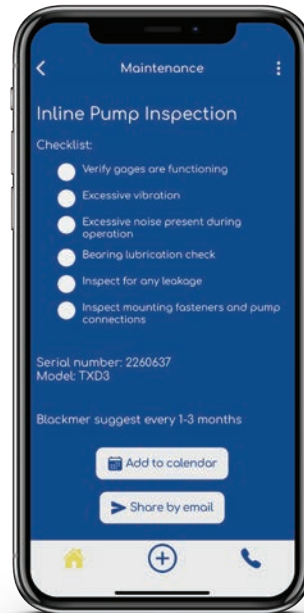

Maintenance View

The Maintenance View makes taking care of your Blackmer products as easy as the click of a button. With **Blackmer+**, you can add each maintenance event to your calendar or share it with colleagues through a calendar invite or email.
