EU DECLARATION OF CONFORMITY

Blackmer, A Dover Resources Company
1809 Century Avenue S.W.
Grand Rapids, Michigan 49503-1530
United States of America

Declares that our Bypass Valves, models : BV1.25-category I, BV1.5-category I, BV2-category II to which this declaration relates are in conformity with the provisions of the Pressure Equipment Directive 2014/68/EU and all other relevant Legislation in effect, when affixed with the CE marked nametag. The above listed equipment is a flow re-circulation devise as described in the Installation, Operation and Maintenance manual. This device is not intended to act as a safety accessory.

Conformity Assessment Procedure: Module E1

Notified Body: HPi Verification Services (Ireland) Ltd.
 Clonross, Dunshaughlin, Meath
 Clonross
 Country: Ireland
 Notified Body Number: 2810

Further, Blackmer declares that Bypass Valves models BV ¾ and BV 1 are:

- exempt from the Pressure Equipment Directive 2014/68/EU and therefore meet the requirements of the Directive.
- are designed and manufactured in accordance with sound engineering practice (SEP) and according to the same standards as the above rated valves.
- accompanied by adequate instructions for use. Each bypass valve is shipped with a corresponding IOM and Parts List.
- does not bear the CE marking.

Note: Bypass Valves are subject and limited to the use for which the product(s) were designed and/or installed in accordance with the relevant Standards and Codes – all in conjunction with Blackmer’s IOM (Installation, Operation and Maintenance Instructions) and recommendations.

This Declaration has been issued under the sole responsibility of the manufacturer.

Other Standards: UL 132, ASTM A536, ISO 9001, EN10204
